Industry Publications

- “The AMI Centerpiece: AMI and Smart Grid Can Support Many Critical Intelligent Utility Initiatives”, Intelligent Utility Magazine, Jan/Feb 2009
- “Pursuing the Intelligent Grid: Are Smart Grid Technologies Co-opting the Core Benefits of Smart Metering Systems?”, Energy Central Topics, May, 2008
- “Meter Data Management Systems: The Hot New Application for Utilities Considering AMI”; Metering International Magazine, June 2007
- “Energy Law and Metering; The Energy Policy Act One Year Later”, EnergyBiz Magazine, Sept./Oct. 2006
- “Maturing AMR Market Drives Industry Consolidation”, Metering International Magazine, July 2006
- “AMR/AMI: A Win-Win Situation for Utilities, Suppliers and Customers?” Electric Energy T&D Magazine, January/February 2006
- “The Opposite of Disintegration?”, Energy Central EnergyBiz Online, November 2005
- “Pain vs. Promise: AMR’s Long Journey to Mainstream Acceptance”, Utility Automation and Engineering T&D Magazine, January/February 2005
- “Maturing AMR Markets: Still Fertile Ground for Start-ups?”, Hart’s Energy Markets 2004 Metering Guide, December 2004
- “Integrated Outage Management: Leveraging Utility System Assets Including GIS and AMR for Optimum Outage Response”, Electric Energy T&D Magazine, Jan-Feb 2004
- “Energy Saving Benefits of Real-time Technology”, World Energy Engineering Congress, Atlanta, GA, November 2003
- “Time For Time-of-Use Rates?”, Harts Energy Markets, April 2003
- “Outage Reporting- An Emerging Benefit of AMR”, Electric Light and Power, January 2003
- “Automation”, Electrical World, March/April 2000
- “Extending the Value of AMR”, Transmission and Distribution World, February 2000
- “Pittsburgh’s Duquesne Light Company Deploys Advanced AMR for a Changing Energy Market”, AMRA News- Innovative AMR Deployments, January 1999
